📍 Panthapath, Dhaka 1215,
Bangladesh

PROFILE

A self-motivated and enthusiastic web developer with a deep interest in JavaScript. Excellent focus, communication, and ability to learn rapidly. Excels working in a team environment. Strong critical analysis and problem solving. Coding is my passion and it's the most therapeutic thing I do for myself in my everyday life! I've created a few projects which you'll find in the portfolio section.
